

The Dimmer View

BY MAX GOODWIN

We thought only in the newspaper business do inexplicably silly things happen, but teevee, for all its engineers and technicians milling about getting electrons and microwaves in the right place at the right time came up with one as laughable as anything we've seen around a newspaper office, ever.

Happened last week when this columnist and Ernest Newton, the president of the chamber of commerce shared a teevee program with Mabel Hazard, she being the charming socialite member of the prominent Hazard family, an editor of The Magazine San Diego, and conductress of the channel 10 program "News and Previews." It was Lemon Grove Day there and Newton and I were being interviewed by Mrs. Hazard on her program.

As it does to all teevee programs, came time for the commercial. This one to do with the culinary arts in which Mrs. Hazard was to use an egg and a banana for props. The banana was resting on a table outside camera range. The egg could not be found. A half dozen high salaried technicians scurried about the studio seeking the missing egg. The harassed Mrs. Hazard then arose, to quickly add in the search. Then they found the egg. An engineer had placed it on Mrs. Hazard's lounge chair from which she conducts her program. Mrs. Hazard had been sitting on the egg. The egg was smashed.

The amusing thought crossed my mind. We just witnessed teevee history in the making. This was the first electronic Easter egg hunt we had ever seen and it was measured in split-seconds. Some of our brethren in the newspaper business may get ulcers but none will be on a three-tenths of a second schedule which is one of the small advantages newspapers enjoy over teevee.

We listen to three to eight speeches a week and some are good. One we heard a couple of weeks ago repaid us for all the bad ones we have been forced to sit through.

There was only a small part which actually carried the message and the message shall remain with us forever. It was in parallel form and we recommended it strongly for parents who either have had or will have a teenage youngster... or better still, for teenagers who have parent problems.

It was the story of a father who asked his handsome young son to clear a field so that the family might use it to plant a crop. One huge rock defied the youngster. Try as he might he could not budge it. His father returned to the field that evening and found the exhausted youngster prostrate on the ground, sobbing.

"I have done everything possible, but I can't move the rock," the youngster explained.

INDUSTRIAL PARK PLANS GET BOOST BY REALTOR

Arnold Dahl, chairman of the industrial committee of the California real estate association, told the Men's Club Friday properly planned industrial parks not only provide an aesthetic upgrading to a community but also an economic fountainhead.

He said a single factory employing 150 persons would provide the financial where-with-all for 300 homes, 320 autos, an 18-room school, 23 stores, 23 professional people, food from 600 acres, \$200,000 in payroll and \$2,500,000 in tax base.

He said El Cajon's industrial park was a good example of proper planning and criticized La Mesa's industrial area as a "mess."

He warned proper industrial development comes only with aggressive campaigns to bring industry into a community and this must be preceded by an intense campaign to set the proper industrial-community atmosphere.

Neither campaign should be embarked upon without the first step, that of industrial planning, he said.

Dahl said industry attracts its own industry. Example: A factory processing corrugated board into cardboard boxes is expanding its operation to manufacture corrugated board.

Lemon Grove, with proper governmental guidance, he said, could become an important area industrial center with all the economic advantages this implies.

Joe Mack, county superintendent of roads and county surveyor, will be speaker at Friday's meeting.

Men's club meets every Friday at noon at Michael's. Bill Parker presides.

Budgeting Line Held By County

Lemon Grove area taxpayers were breathing easier this week following action by the county board of supervisors which indicated they would hold the line in preventing tax boosts by a tight budget for the upcoming fiscal year.

Board members and T. M. Heggland, chief administrative officer, have indicated — in pre-hearing estimates — that although the budget will be the county's greatest, the tax rate will remain the same.

If approved, the budget will be more than \$62,000,000, and increase of some four million over last year's spending figure.

The tax rate — now \$1.99 for each \$100 of assessed valuation — will be set some time in late August. Heggland said one segment of the county's taxpayers can expect no increase. These are residents of unincorporated areas who also pay a library tax.

The current library tax of seven cents for each \$100 of assessed valuation probably will increase to about ten cents under an agreement by the board earlier in the budget sessions.

If finally adopted, the basic \$1.99 tax rate will be the same as the past two fiscal years. In the two years previous to that it was \$2.08.

Fair Opening Set Friday

The 19th edition of the Southern California exposition and San Diego county fair, spanning 265 acres in Del Mar, opens its gates for a 10-day run, June 27.

A crowd of 240,000 is expected to attend this year's production of farm life, home economics, stage shows and sports.

The fairgrounds, spanned by the cool breezes of the Pacific Ocean, are easily reached from any spot in Southern California.

Gates will be opened daily at 10 a.m. and exhibit buildings will open at 11 a.m. The single admission price of \$1 will enable fairgoers to attend all events on the grounds.

SV Girl Wins

Fair Entry Spot

Phyllis Castro, 9253 Carthay Circle, Spring Valley, received honorable mention in water color paintings in judging at the Southern California exposition and San Diego county fair in Del Mar. She received \$10 for her painting Le Sombra.

Pool Group Burns Paper

Mortgage-burning ceremonies of the Lemon Grove swimming pool association will be Saturday at 4 p.m. according to Dr. Robert Burns, association president. The ceremony will be on the plaza nearest Lemon Grove Rexal drug store.

"We don't plan an elaborate ceremony," Dr. Burns said. "Channing Mason and Tom Warburton, both of whom helped get the community project underway several years ago will be on hand. We expect a dozen other persons to be present who have helped reach this point."

Dr. Burns said his organization will start immediately raising funds for building the pool. The pool site is located at Washington and Mt. Vernon streets.

REALTOR ATTENDS MEET

Dan Thren, a Lemon Grove realtor of 7366 Broadway, state director of the California real estate association, is attending a state directors' meeting this week at Catalina.

Learn-To-Swim Program Underway

IN THE SWIM—These Lemon Grove youngsters are learning water safety and good swimming practices through the San Miguel PTA's backyard swimming program sponsored through cooperation with Red Cross-trained instructors. Shown here, listening to instructors Mrs. George I Teigen, 8110 Baldwin, background, and Mrs. Lawrence Sozzani, 3115 Chateau Way, right, both LG woman's club juniors, are David and Joe Floyd, Charles, Timmy and Mary Durr, Kirk and George Anne Teigen, Mark Scott, Judy and Ann Maloney, Linda Regan and Lisa Williams. Backyard swim instruction series is continuing through summer season in area pools made available for program.

Incorporation Paper Processing Begins

Lemon Grove's proposed incorporation was another step nearer reality this week as petitions from property owners were checked and prepared for filing with the San Diego county board of supervisors. The incorporation petition drive has been completed some six weeks ahead of the tentative schedule, officials said.

About 30 days will be required by County Assessor McQuilkin to check the petitions for sufficiency and accuracy. After the assessor completes his check of the petitions the board of supervisors will set the date for a formal boundary hearing to consider any requests of property owners for exclusion from the proposed area of incorporation.

At the time the board of supervisors announces its findings, it then sets the date for a special election at which time the issue of incorporation is decided by a vote of the people. Such a date is usually set some two weeks after the boundaries hearing.

In answer to questions from the executive committee, it was pointed out under this general timetable, the election will probably be the latter part of October. Returns have been canvassed, assuming a majority vote for incorporation, they are then presented to the secretary of state for certification and Lemon Grove becomes a city of general law.

Under the terms of the incorporation petition, Lemon Grove will be governed by a city council of five members... all elected at large and voted on at the time of the incorporation election. The city council will name one of its five members as mayor and also appoint a city administrator.

LG Chamber Host For Star List

The semi-annual report dinner of the Lemon Grove chamber of commerce, scheduled for Monday at 7 p.m. at Michael's will feature a talk on industrial park development while the head table will be sprinkled with movie, radio and television personalities according to Ernest Newton, chamber president.

The speaker will be Arnold Dahl, developer of the industrial park at El Cajon and chairman of the industrial committee of the California real estate association.

From San Diego will come "Happy Hare" Martin, popular disc jockey. A Lemon Grove youth, Bob Turnbull, son of Dr. Amorita Traganza, will bring two Hollywood personalities. Turnbull is currently m.c. of the Hollywood radio feature "Teen Twenty Club." He was recently featured in a teen-age movie, "Drag Strip Riot." Turnbull will

Grace Period Given For Larwood Park

SAN DIEGO (CNS) — Promoters of Larwood Park, located near Lemon Grove, Tuesday won from supervisors a 30-day extension for completion of streets in the area. But they only got the period of grace by the skin of their teeth.

The board first voted to sue the subdivider and the bonding company because no work had been done on the streets for five months. Road commissioner Joseph Mack reported to supervisors improvements were supposed to be finished a year ago. An extension had been given to June 21, 1958.

After the action to sue had been voted, a letter was received from attorneys for the Larwood company, asking for an extension of time to July 25.

"We can't get any action in the courts within 30 days, can we?" Supervisor David W. Bird asked of Deputy Counsel Bert-ran McLees, Jr.

"If the bonding company drags its feet, as bonding companies usually do," McLees answered, "we might not get any action for six or eight months."

Supervisors then decided the extension be given, with the company notified that court action had already been approved. The road department estimated that \$13,000 of work is still to be done.

Board members said widening of Imperial avenue, Lemon Grove, is involved with completion of the Larwood park improvements.

Navy Vet Graduates At State

After 20 years of naval duty, Earl F. Keyes this month passed another milestone when he completed his college work at San Diego state and received a bachelor of science degree in business administration. Keyes, a Lemon Grove resident, majored in banking and finance with a minor in economics, but the story of tenacity and determination to make retirement from the navy a beginning rather than an end has endeared Keyes to many a young navy recruit.

A native of Lisbon, N. D. Keyes was aboard the cruiser Pittsburgh when she lost her bow in a typhoon off Okinawa in World War II. Just prior to his retirement he was stationed on the tender Dixie here and before that was on the repair ship Ajax.

When Keyes came home to 2329 DIFoss street in Lemon Grove, with his wife and three children, it was to begin another career. He has now embarked

School Board Sets Slate

A summer schedule of school board meetings was adopted Monday by the Lemon Grove elementary school trustees.

Meeting July 1 will be held at 6 p.m. to elect officers for the following year. The July 14 meeting will be at the regular time. July 28 meeting has been cancelled.

Budget hearing is required the first week in August so August 4 has been set for that meeting and the regular meeting of August 11 is combined with it.

The August 26 meeting has been cancelled due to vacations.

Top Men Tabbed On Reserves

Unit Three, Lemon Grove's home area group of the San Diego county sheriff's reserves, recently named two new sergeants and advanced another sergeant to lieutenant in charge of the unit.

Ken Weaver and Richard Hunt were named as leaders of two squads of reserves in unit three while Carl Lindy was promoted to lieutenant's rank. The unit consists of citizens from the Lemon Grove-Spring Valley area and surrounding communities.

Three groups operate from unit three of the reserve in the local district. Jobs for reserves include border patrol, prowler car assignments, training duties — such as jail, business office, records and narcotics details — and civic duties such as covering parades, fairs, rodeos, church and civic functions and other activities.

The group was organized in 1951 under Sheriff Bert Strand.

LG Library Reading Set For Summer

The Reading Roundup, summer reading program at the Lemon Grove library has now started and is being received with much enthusiasm on the part of many of the younger set.

The Forestry department has supplied the Smokey Bear material, so interesting and informational, and colorful. Badges, certificates, junior forest ranger cards, book marks and their readers are some of the items included for children having completed the ten-book reading requirement.

Enhancing the already bountiful supply of juvenile books, the main county library has sent out a new batch of 200 volumes to help meet the demand for entertainment. This assortment is comprised of readers, adventure stories, youth activity books and many others in sundry categories.

At this time another hearty welcome is extended by Mrs. Ruth Pedler and staff to the people of Lemon Grove and environs to visit the Lemon Grove library. Drop in and look around, and see if there are books that might make your summer more pleasant. You are always welcome.

VIOLET STREET BIDS RECEIVED

SAN DIEGO (CNS) — Three bids were received by supervisors Tuesday for construction of curbs, sidewalks and drainage structures in Violet street, Lemon Grove.

Lowest bid for the project was \$5,509, submitted by Merle Tryon concrete.

MT. MIGUEL'S VALEDICTORIAN PLAGUED BY RECURRENT INJURY

Judith Myers, Mt. Miguel high school's first valedictorian who missed her graduation ceremonies when she was hospitalized for an operation, is reported in good condition and ready to go home from Grossmont hospital this week.

Miss Myers last week underwent an operation on a twice-broken limb. Her leg was first broken when a hit-run driver ran her down in the yard of her home at 8863 Campo road last August. She resides there with her parents, Mr. and Mrs. Roy Myers.

The day before Mt. Miguel's graduation ceremonies, Judy said the leg was paining her. An x-ray disclosed the stainless steel rod had snapped right at the bone break, leaving the bone out of place.

She was forced to miss the graduation exercises where she was to have delivered a valedictory entitled, "The Sunny Side of the Street."

Appointments, Fund Drive Spark Auxiliary Sessions

Mrs. Von Marshall's first executive board meeting as president of Grossmont hospital women's auxiliary last Friday in the hospital cafeteria, was an unusually eventful one, as the following highlights will indicate:

A new recording secretary, Mrs. Roy Booth, was appointed to replace Mrs. Gil E. Johnson, who resigned and account of moving to another area. Mrs. Johnson had just taken office June 1.

Mrs. Jens Hutchens, immediate past president, was presented with engraved copy of a resolution unanimously passed by the hospital's board of directors, expressing appreciation of her outstanding accomplishments during her twenty-nine months in office. The presentation was made by Louis Peelyon, hospital administrator.

The report of the treasurer, Mrs. E. J. Drew, disclosed that another \$500 of gift shop profits had been turned over to the philanthropic fund, of which Mrs. J. Foster Coutts, founder president, is chairman. The gift shop in the lobby of the hospital has been operated and staffed since its inception under the direction of Mrs. Von Marshall, now president. The present gift shop chairman is Mrs. Paul Schoenhoven, long-time co-chairman of the operation.

A second hair-conditioning session for the month was announced for June 24, 7:30 p.m., in the hospital cafeteria. The regular monthly session, held June 4, could not accommodate all the prospective mothers and fathers on the hospital's pre-admission list. Mrs. Paul Dail is chairman of this popular activity; taking over from Mrs. J. P. Thomas and Mrs. Harold Mayer.

Mrs. L. L. Louis, director of hospital volunteers vice president, announced the first general indoctrination course for the new auxiliary year to take place on Wednesday, June 25, 7:30 p.m., in the hospital cafeteria. Indoctrination is a requirement for all new members.

Proceeds of the Second Annual Polo Tournament, held May 23 on Hering Field, Lakeside, were announced by Mrs. Elliott Johnson, ways and means vice president, to have been \$1,206.54. The money will be used to purchase an isotope incubator for the hospital's premature nursery. Mrs. E. R. Nyström was polo chairman.

Mrs. James Murphy reported that 18000 "Pinkies" had been issued for presentation to child patients of the hospital during the seventeen months of her tenure as Pinkie chairman; with a backlog of \$63 for the summer, during which demands for the popular little hand puppets increase. The toys are made by auxiliary volunteers from materials purchased by the auxiliary at an average cost of 35 cents.

The sum of \$1,000 was appropriated to be turned over annually to the hospital for upkeep of the hospital's Memory Garden landscaping, a continuing auxiliary project. The board also provides flowers for the capping ceremony of Licensed Vocational Nurses trained at Grossmont Hospital. The latter project was turned over to the hospital committee, of which Mrs. Vinard Francisco is the new chairman.

The next meeting of the executive board will take place on Friday, July 11, 9:30 a.m., in the hospital cafeteria. Members will be notified by mail.

SLIDE RULES GIVEN

The Spring Valley woman's fire auxiliary, presented two slide rules to outstanding students graduating from Mt. Miguel high school last week. One rule went to Charles Gimber for math and the other to Roger Humphrey for science.

PILOTS — Three Lemon Grove ladies will be flying high July 4 when they participate in the nation's Powder Puff derby from San Diego to Charleston, S. C. Shown, top photo, are Betty McNeil, La Mesa, right and Isabelle McCrae, Lemon Grove, and photo to right shows Anna May Christensen, Lemon Grove, who will co-pilot in another plane.

LEMON GROVE PILOTS TO VIE IN AIR RACE

The 12th annual all woman-transcontinental air race from San Diego to Charleston, South Carolina on July 4 has attracted three Lemon Grove pilots who will be competing in the powder puff parade.

Piloting plane six, Beechcraft Bonanza 35, will be Isabelle McCrae of Lemon Grove. This will be her eighth entrance in this annual affair. She has over 1500 hours flying time and holds a commercial license and an instructor's rating. She was a WASP pilot during World War II and later served as an Air Force flight nurse. She is a registered school nurse at Mt. Miguel high school. She is active in the San Diego chapter of Ninety-Nines, Inc. and is captain in the civil air patrol, serving as personnel officer with the San Diego county group headquarters. She is honorary life member of the business women's league in Lemon Grove.

Her co-pilot, Mrs. Betty McNeil of La Mesa, will be entering the sixth time and, although she is not a pilot, she has many hours to her credit as passenger and observer. She is active in the civil air patrol, acting as special events officer with the rank of captain.

Isabelle and Betty are sponsored jointly by McNeil Plumbing and Heating company and the Northeast Exchange club of San Diego.

Following on the tail of Isabelle will be Plane seven, piloted by Mrs. Alice Roberts of Phoenix, Arizona flying her sixth powder puff derby in the family airplane, the Carrier Pigeon, a Beechcraft Bonanza C-35. Mrs. Roberts placed second in both the 1955 and 1956 races and won first place in 1957. She has over 600 hours of flying time and is at present treasurer of the southwestern section of the Ninety-Nines, Inc. and a member of the

Square Dance News . . .

JR. LEVIS & LACES

The Junior Levis and Laces square dancing club will hold their anniversary party at the Lemon Grove woman's club house at the corner of Main and Olive streets. Dancing will be from 6 to 9 p.m. for both pre-teen and teenage groups Thursday.

"We would sure like to have all you kids out and join all the fun at our dance," says Sue Gregory, publicity chairman.

COUNTRY COUSINS

Country Cousins now have a newly elected group of club officers, headed by Ed Walsh as president. All are enthusiastic square dancers and will do their utmost to promote the type of dance that members and guests desire.

A party dance will be held Saturday June 28 at La Mesa junior high school. The latest in squares and rounds with Ray Columbe as caller and master of ceremonies. Dancing from 8 to 11 p.m. All square dancers are cordially invited.

CIRCLE EIGHT

A big Happy Birthday cake was cut and served to the Circle Eighters on June 13, in celebration of Jean and Al Schaeffer's birthdays.

The David Hansens group from Orange Glen had the group in a happy mood as they demonstrated the "Teacup Chain" and presented little Janice Brede, their caller, who did a singing call.

Al Schaeffer was club caller that night, with guest callers Roy Close and Bill Schooler.

The guest list included Bob and Bev Rodriguez, Harry and Mary Jane Johnston, Jay and Betty Hurndon, Wayne and Thelma Kendall, Frank and Ann Felton, Bill and Jo Schooler, Jack and Margaret Durham, Don and Maxine Kearney, and the "couple of the month," Dick and Mary Ribley.

PROMENADERS

Party Night for the Promenaders will be Wednesday of this week.

Bette Keller won the special prize, when the Promenaders danced June 18.

Frank Dyson was club caller, with guest callers Bill Keller, Dell Lake and Paul Coston. Host and hostesses were Howard and Eileen Saxton.

The guest list included Ed and Mary Calmady, Bill and Bette Keler and Ed and Joyce Wisely.

LEVIS & LACES

Secretary Georgianna Weeks announced a new high of 150 members for Levis & Laces this week. The club recently gained 40 new members when the intermediate class graduated to master square dancers status by our caller, Clarence Montgomery.

Apparently the six-month grind was too much for our veteran caller. He and his wife, Pearl took off for the north woods to recuperate for three weeks following the monthly party dance at the LG women's club June 7. Clarence will be on hand to call for the next regular party dance, July 5 at the women's club.

Ron East will call for the regular Wednesday night dance this week.

MERRY WHIRLERS

The club will usher out the month of June with a Junebug Jamboree Saturday, June 28. Lucy Guyer will be in charge of decorations and it promises to be a gala night for Merry Whirlers.

Bus Fares Get Boost

The California public utilities commission has authorized the San Diego transit system to increase fares effective July 7.

Under the order, the bus company's 20-cent base fare remains unchanged, but provides for the elimination of tokens now selling at four for 75 cents and raises the additional zone fare from 5 to 6 cents. In addition the company is permitted to cancel the reduced ticket and pass fares for adults and to revise school fares establishing a cash fare of 10 cents or a ticket fare of 8 1/4 cents per ride.

The changes in the school fares will result both in the fare increases and reductions. At present the company sells 40-ride tickets for \$2.80, \$3.50 and \$4.50, depending on zones and routes. Also cancelled is a monthly school pass now selling for \$2.10, \$2.80 and \$3.50, depending on the zones traveled and the hours of use.

ers, friends and the Junebugs, too.

Fathers were the center of attention at the last club dance. Three fathers, who were honored with special awards were Clarence Rowdy, Tom Clabby and Fuz Troxel. Visiting clubs were Valley Vagabonds, Levis & Laces, Dudes 'N' Dolls, and Promenaders. Ron East shared the mike with Kip Muse, Art Redding, Wayne Ivey and Chuck Reynolds.

The club hosted their beginners' class last Monday night with a party in honor of its promotion to intermediate. Certificates of promotion were awarded and hearty congratulations given to those promising future club members.

George Sigler, 62, Dies At Hospital

Funeral services were held June 20, at the Erickson-Anderson mortuary, La Mesa, for Garland V. (George) Sigler, 62, of 8901 Golf drive, Spring Valley.

Born in Lincoln, Illinois, he came to San Diego in 1925 and to La Mesa in 1930. He and his family at one time lived in Grant's Pass, Oregon, and he and his wife Mary were again living in Oregon before coming to Spring Valley, just a few months before his death.

Besides his wife Mary, he is survived by a son James of Flinn Springs and five daughters; Mrs. Ralph Waldorf of Escondido; Mrs. Harold Esbell of El Cajon; Mrs. Duane Glasgow of Long Beach; Mrs. Leonard Enos of Lemon Grove; and Mrs. Melvin Tharaldson of La Mesa. There are ten grandchildren.

Tragedy Hits Marder Kin

Tragedy was the traveling companion of a Lemon Grove woman on a trip back east last week.

Mrs. Irving Marder who with

her husband operates the stationery store at 7839 Broadway returned to New York to visit with her daughter, Mrs. Norman Horowitz of Woodside, Long Island. During her visit, her son-in-law fell dead. He leaves two children in addition to his widow.

Mr. Marder immediately left for New York upon receiving word of the tragedy.

Fair Photo Entry Shows LG Resident

Visitors to the Del Mar Fair will see one of Lemon Grove's genial townsmen looking at them from the walls of the photographic exhibit. Entitled Kentucky Colonel, Bob Pulliam, his beard and sombrero, bigger than life, will be there for all to see.

The photograph, work of Samuel Pedler, Jr., Lemon Grove resident, has been exhibited in Memphis, Pittsburg, Milwaukee, Cincinnati, Seattle and Auburn, N. Y.

Mr. and Mrs. Pedler are active members of two San Diego camera clubs, and members of the photographic society of America. Close by will hang another picture, that of a little girl, with wide spread smile, two teeth missing, looking out from a funny paper, entitled, See You In The Funnies. This is Judith Anne Johnson, granddaughter of the Pedlers and daughter of Lt. and Mrs. Robert Johnson, formerly of Waite Drive, now of Washington D.C. The Johnsons are hoping for West Coast detail and also that Lt. Johnson's station enable them to again settle in Lemon Grove.

ESA Chapter Sets Next Meeting

A patio pot luck, entertainment and jewel pin ceremony will be at the home of Mrs. George Mueller, 10181 Del Rio Road, next Tuesday at 6:30 p.m. all for Gamma chapter, Epsilon Sigma Alpha.

Mrs. Carlton H. Riley will receive her jewel pin and be welcomed into Gamma as a full fledged member. A program will be presented by the members who will offer humorous and dramatic skits, upon which they have been working secretly.

EX-PRISONERS MEET

American Ex-Prisoners of War will meet in the Green room of the Admiral Kidd Club June 27 at 8 p.m.

Alfred Smith of La Mesa, the newly elected state commander, will discuss the business matters taken up at the State convention. Charles E. Maurer of El Cajon has been appointed by Cmdr. Schweizer as delegate to the national convention in Tacoma, Wash., July 10.

LG Carpenter Crash Victim

John E. Morgan, a carpenter residing at 3030 Main street, Lemon Grove, who died in a Fletcher Hills plane crash last Friday, was buried following services at Glen Abbey memorial park Monday.

Morgan, who piloted the plane which crashed shortly after take-off bringing instant death to the pilot and two passengers, Dick E. Broyles, El Cajon, and Mrs. Virginia M. Weise, La Mesa, is survived by his widow, Emilie, and three sons, Joe, 10, and twins Kurt and Kent, 8.

Morgan and his two passengers took off from Gillespie field at

PROSPECTORS I HAVE KNOWN

One of our friends has a unique vacation planned. He's going to prospect for uranium. Or maybe it's silver. He doesn't really expect to strike it rich but figures it's a good way to spend a vacation. You know... Outdoors and all that.

Maybe you'll find yourself prospecting, too. Prospecting for pictures, that is! Because wherever you go and whatever you do, you can lengthen your vacation pleasure with a picture record of your vacation fun.

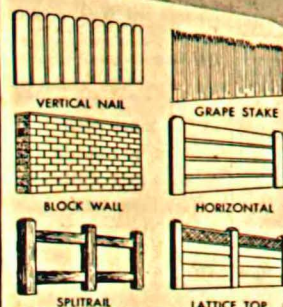

A Kodak Pony Camera will give your memories a lift with sharp, living color slides. This lowest priced 35mm camera in the famous Kodak line, is as simple to use as a snapshot camera, yet is amazingly precise... and stops the fastest action in its tracks. And in addition to color slides, the Pony Camera gives you color snapshots whenever they're preferred.

Take a look at the Kodak Pony Camera here this week, and you'll realize how much fun you can add to your summer prospecting.

S.V. Construction Projects Delayed

The case of the reluctant contractors this week seemed certain to further delay Spring Valley residents hopes for a completed sewage line system and sorely-needed Bancroft drive road resurfacing. In a series of delays capped by a token indication work will begin, the road repair contractors have yet to make any progress on the Bancroft project while the sewage line contractor this week notified the county engineers no further hookups would be allowed to the line until the entire job is completed and accepted by the sanitation district.

Charles F. Dorfman construction company, Los Angeles firm now installing sewage lines, sent a telegram to Warren Barney, chief of the SD county engineering division, notifying him that no further hookups to the line would be allowed. Barney said the contractor is nearly two months overdue on his allotted time schedule for completion. "We don't know when he'll finish," Barney said.

William Doughman, Spring Valley chamber of commerce past president and civic leader, said this week the Bancroft road job is also irritating local residents who claim the drive is nearly impassable in sections. Doughman said the Escocido firm awarded the Bancroft repair contract has repeatedly delayed initial work on the project until now — with residents demanding action — half the allot-

ed contract time to finish the job is passed without any work completed. Doughman termed moving in of several pieces of heavy road repair equipment a "token" indication by the firm. "We haven't seen any work yet," he said.

On the sewage line project, Barney said the contractor has the right to refuse line hookups until the job is completed under his contract and the sanitation district accepts the work. When the work is completed and accepted the contractor will be paid, but no money is forthcoming to him until job acceptance is completed.

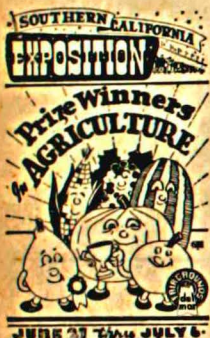

Spring Valley's troubles began with the battle to get satisfaction on the sewage treatment plant — recently completed at a total cost of nearly \$300,000. Before final acceptance of the plant the contractor paid fines for late completion of the project.

SV Chamber Meeting Set

The Spring Valley chamber of commerce will meet Monday at 8 p.m., at 9050 Memory Lane. Topics to be discussed will include the joint meeting between the Spring Valley and Lemon Grove chambers directors, the old adobe building restoration plans, historical plaque and Valley road conditions. The meeting is open to the public.

The regular potluck will start at 6:30 p.m. The public is also invited. The chamber of commerce will furnish the main dish. Members and guests are requested to bring a side dish and table service.

YOU LIVE IN A HARD WATER AREA!

- The "ring" in your bathtub is caused by hard water soap curd. With soft water, no curd can form. All porcelain surfaces stay gleaming white.
- Hard water wastes money. Look! Soft water saves 50% on soaps and detergents; 24% on water heating costs; 25% on coffee... and gives up to 33% more wear from clothes!

Hard water actually costs you over \$100.00 a year!

Have all the **SOFT WATER** you need... at the turn of a faucet...

PLUS THE ADVANTAGE OF:

NO EQUIPMENT TO BUY!

- NO CONTRACT TO SIGN!
- NO WORK FOR YOU

VISTA LA MESA CHURCH MEETS

The minister's cabinet of Vista La Mesa Christian church will hold its annual planning retreat on Saturday, June 28, at Alpine community center, beginning with breakfast at 8 a.m. Incoming and outgoing heads of departments and functional groups will confer to lay basic plans for the work of the church next year. Robert H. Clarno is chairman of the official board and will be the presiding officer of the retreat.

The annual church family picnic will be in Collier's park, Ramona, on Sunday, following the three worship services at 8:45, 9:45 and 11 a.m. The Rev. Wm. T. Nichol's sermon topic will be "Consecration."

Youth groups will meet at the church at 6:30 p.m. and a short congregational worship service will be held in the sanctuary at 7:30 p.m.

UNDERGROUND ENEMIES

In trying to protect your garden from insect infestation, don't forget that there are more dangerous enemies than the eye at a casual glance. There is the army of soil insects... garden enemies that do their damage to the roots of your plants down in the ground.

You must, of course, look for a remedy that will not injure the plants. A dichloroethyl ether product (one of the lighter ethers) can be used as a soil disinfectant and, where directions are followed, will do no injury to your plants at all. It will destroy lurking insect life and give your plants a chance to thrive.

Disinfecting your soil with a product of this kind occasionally is just as important as cleaning your house. And it is very easy. First water, then mix the material with water according to direction and spray or sprinkle it into the ground. When your plants are freed from these underground enemies, they will grow with greater health and vigor.

CHERRY TREES

There is only one time when you can safely prune a cherry tree and that is after the cherries are harvested but while the tree is in a full capacity of foliage. At this time, you can do a little light pruning, if you wish to give the tree a little better symmetry, but I warn you that if you prune cherry trees at any other time, the trees are likely to bleed to death. Furthermore, you should never prune any stone fruit tree when it is definitely dormant.

Many people ask about growing cherries in various sections of the country. There is one rule that you should observe in order to have good fruit. That is, never have a single variety alone in your garden. Cross pollination is one of the paramount issues where cherries are concerned.

If you want an especially lovely flowering cherry for your garden, try Campanulatae.

Inspectors Job Test Due

An opportunity for building construction foremen to apply for employment with San Diego county has been announced by Clayton G. Swanson.

Residents of the county and state who have two years of recent experience as building inspectors or who are journeymen carpenters, plumbers, or electricians with one year of recent experience as foremen or superintendents in the building trades are being encouraged to apply. The examination to be given is for building inspector I and building inspector II, with the options of structure, plumbing, and electrical.

Applications will be received at the San Diego county personnel office, 4th floor, civic center, San Diego, until July 3, 1958.

At Del Mar July 5-6

Eddie Dean, Capitol recording artist, will headline at variety show at the Southern California Exposition and County Fair at Del Mar, July 5-6. The 10-day Exposition runs June 27 through July 6. It features 265 acres of exhibits and entertainment attractions.

Couple Weds At Baptist Church Rite

The First Baptist church of Spring Valley, was the setting Sunday for the wedding of Pfc. Robert James Bledsoe of San Diego and Glory Louise Wyman of Lemon Grove. Rev. Ernest Nichols performed the ceremony. Organist was Mrs. Myrtle Sale and soloist Celeste Lousalet. The bride was given away by her step-father Walter De Sotile.

The maid of honor was Georgie Moore; bridesmaids were Doris

Jean Wyman, sister of the bride and Carrie Alyce Bledsoe, sister of the groom; best man was Fred Routan; and ushers, Mike Wyman, brother of the bride and Kenny Hedges.

The bride wore a white satin, floor-length gown with long sleeves. An elbow-length veil hung from her tiara, and she carried a white orchid with white roses.

The new Mrs. Bledsoe is the daughter of Mrs. Walter De Sotile of Lemon Grove and the late Erwin Wyman. She was a student at Mt. Miguel high school before her marriage. The groom is the son of Mrs. Carrie Bledsoe of San Diego and his father is deceased. He attended San Diego high school, is now in the Army with two years to go.

Wedding Set At CV Church

A Spring Valley man, Burton Peter Hodge and a San Diego girl, Miss Jannette Irene Hopkins, will be married in the Little Chapel of the Roses, Chula Vista, Saturday of this week. A reception will follow in the Little Lodge.

Maid of honor will be Miss

Lynne Hopkins, sister of the bride; bride's maid will be Miss Maeve Hopkins also the bride's sister; best man, Albert Hodge, brother of the groom; ushers, Rex Stewart and Brian Garden of Canada, cousin of the bride.

The bride will wear a ballerina length white gown, with a tiara trailing an elbow-length veil. She will carry a bouquet of carnations and pink rosebuds. She will be given away by her father.

Milk Council Names Editor To PR Post

Judy Katherine Focht, San Diego newspaperwoman, has been appointed public relations representative of the San Diego milk council, Hugh D. Good, board chairman, has announced.

She succeeds Mrs. Sallie Keirns who is leaving the city to reside in Denver.

Miss Focht will direct the council's consumer education program in association with the council's advertising and public relations agency, The Phillips-Ramsey company. She will be available for talks to community organizations and appearances over radio and television stations and will work closely with groups allied to the dairy industry.

The milk council, organized in 1955 to stimulate the consumption of milk, consists of producers of milk distributed in San Diego county.

Miss Focht is a graduate of Syracuse university where she received a BA degree in liberal arts in 1957. Prior to her milk council appointment, she was editor of the Hillcrest Star News, San Diego weekly.

Previous newspaper experience includes the Bucks County Press, Levittown, Pa., and the Herald-Mail Co., Hagerstown, Md.

She resides at 3739 LaCresta drive.

Job's Daughters Meet For Summer Sessions

The Job's Daughters mother's club will continue summer meetings on the first Monday of each month at the Lemon Grove Methodist church, corner of Golden and Washington, Mrs. Joan Wrede, publicist, said this week.

Hostesses at the last meeting were Mrs. Frankie Dudley and Mrs. Jack Wrede.

LJ Playhouse Sets Opening
La Jolla Playhouse begins its
twelfth season of professional
summer theatre Monday night
with all the glamorous fanfare
of a Hollywood premiere, includ-
ing TV cameras, and a radio
broadcast from the lobby.
The opening play, Thornton
Wildes' comedy spectacle, "The
Skin of Our Teeth," starring Ear-
tha Kitt, James Whitmore, Den-
nis Hopper and Cloris Leachman
is proving to be one the most
highly anticipated attractions pre-
sented in recent Playhouse his-
tory.
For the first time in many
years the three Playhouse found-
ers, Dorothy McGuire, Gregory
Peck and Mel Ferrer, all plan to
be in the theatre for the same per-
formance. Other Hollywood lu-
minaries who have reserved seats
for opening night are Robert Ry-
an, ZaZa Gabor and Hedda Hoper.
Supporting the four stars in the
cast will be Carolyn Kearney,
Lillian Adams, Meg Wyllie, and

host of Playhouse apprentices
and local actors from San Diego
county in small walk-on parts.
"The Skin of Our Teeth" is the
first of five plays to be presented
this summer. It will run from
June 30 through July 12th. Tic-
kets to all five plays are still on
sale at a ten per cent discount.

Notice To Contractors
Inviting Bids
NOTICE IS HEREBY GIVEN THAT
the Grossmont Union High School
District of San Diego County, Cal-
ifornia, acting by and through its
Board of Education, hereinafter re-
ferred to as the District, will receive
up to, but not later than 4:00 o'clock
p.m. of the 11th day of July, 1958,
sealed bids for the award of a contract
for the Acoustical Treatment of Gymnasium
at Mount Miguel High School in the
Grossmont Union High School District.
Such bids shall be received in the
office of the Governing Board of
said District in Administrative Build-
ing of the Grossmont Union High
School District, Grossmont, California
and shall be opened and publicly read
aloud at the above stated time and
place.

Each bid must conform to and be
responsive to the invitation, the
Information for Bidders, the Specifi-
cations, the Plans, and all the other
documents comprising the pertinent
Contract Documents. Copies of the
Contract Documents are now on file
and may be obtained in the office of
the architect, Herulf Brydegaard of
said board at the above address, 1634
Sixth Avenue, San Diego, California.
Each bid shall be accompanied by
a certified or cashier's check payable
to the District, or a satisfactory bid
bond in favor of the maximum amount
of the bid. The check or bid bond
shall be given as a guarantee that
the bidder shall execute the contract
it is awarded to him in conformity
with the Contract Documents, and
shall provide the surety bond or
bonds as specified therein within
five (5) days after notification of
the award of the contract to the
bidder.
The District reserves the right to
reject any or all bids or to waive
any irregularities or informalities in
any bids or in the bidding. Prefer-
ence will be made in the award for
California made supplies, pursuant
to Sections 4330 to 4334, inclusive,
Government Code.
The District has determined the
prevailing rate of per diem wages
for the locality in which this work
is to be performed for each craft
or type of workman needed to ex-
ecute the contract, which will be
awarded to the successful bidder, to
be as follows:

Trade or Occupation	Hourly Per Diem	Wage Rate
Carpenters	\$3.75	\$27.00
Plasterers	3.75	29.80
Lathers	3.75	29.80
Floor Layers	3.75	29.80
Linoleum, Carpet & Floor	3.75	29.80
Covering Workers	3.32	26.56

The foregoing schedule of per diem
wages is based upon a working day
of eight (8) hours. The rate for
legal holiday and overtime work
shall be at time and one-half. The
hourly wage rate prescribed herein
above is the per diem rate divided
by the number of hours constituting a working day.
It shall be mandatory upon the
Contractor to whom the contract is
awarded, and upon any subcontractor
under him, to pay not less than
the said specified rates to all labor-
ers, workmen, and mechanics em-
ployed by them in the execution of
the contract.
Attention is called to the fact
that a list of proposed subcontractors
must be submitted with the bid.
No bidder may withdraw his bid
for a period of thirty (30) days after
the date set for the opening of bids.

The Dinner VIEW

(Continued)

"You have not done everything until you ask your father for help," came the father's terrific reply.

Jim Spears, our town's Ford dealer has a reputation for being a pushover for almost any kind of contribution or investment... and last week we suddenly saw the wisdom of his psychology. Several years ago he made umpire passes in a dice game in Las Vegas and quit the game with a bundle of cash this high. Before he got out of town a craggy acquaintance convinced him a smart investment would be some acreage at the outskirts of town... and he just happened to have some he was willing to part with. Spears bought him out.

Last week the press carried a story of an oil strike within the city of Las Vegas area. Where do you suppose the first gusher came in? Immediately across the road from Spears' acreage!

Followers of the board of supervisors saw some old fashioned horse-trading last week, the like of which was last tried between the Indians and the Dutch at Manhattan.

The supervisors had been worrying about a way to get a new road to Ramona but other road needs were equally pressing. They had also been worrying about more park facilities for citizens of the county, and about a request from the county girl scouts for a new camp site.

Supervisors the other day also got a request from a citizen who owns several thousand acres of land for a two mile road to serve his property. He offered to give up 100 acres to the county if the road could be built.

Bird, fast on his bartering feet as Pavlova, went into a huddle with the rest of the supervisors. They chose a tract along a route they had been viewing as a second route to Ramona. It so happens this acreage has oak trees and running water on it, just right for a park.

The road will cost \$60,000. Park property similar to this cost the supervisors \$2,000 an acre last year. If the park were purchased as such, the money would have to come out of general funds. On a trade for a road, the \$20,000 tract would be obtained for \$60,000 in gasoline tax money. More than that the Ramona motorists would be happy; the girl scouts would be happy, and the park enthusiasts would be happy... all of which makes Bird the best Yankee style trader south of the Mason-Dixon line.

A Lemon Grove man, Norman E. Wollitz, principal of Longfellow school in San Diego, with whom I discuss juvenile problems from time to time, referred me to a report by the Citizens' Advisory Committee to the Attorney General on Crime Prevention.

His interest, as it should be, was on the sections relating to the job schools may do in crime prevention. My interest came to a sharp focus on the section concerning the press. The report: "... conflicting statistics and statements issued by the local, county, state and federal authorities are equally responsible for incomplete and inaccurate information which arouses public indignation."

In simpler words it says there is considerable dishonesty in the handling of juvenile crime facts and the fault is with those we pay and trust to do an honest job.

This begs the question, naturally, if juvenile problems are being properly handled, are there any reasons for misrepresentation to the public?

By public demand, Dancing Waters and the three-ring Polack Brothers' Circus are returning to the Southern California Exposition and San Diego County Fair, June 27-July 6.

INSPECTION—Here members of the Lemon Grove unit of the sheriff's reserve lines up for inspection as Captain Ben Borden, Lt. Quentin Cash of the regulars, and Sergeants Ken Weaver and Richard Hunt stand by. Shown, in the back row, from left, are Bill Castle, Joe Payson, Dirk Vandyk, Harold Brown, Robert Gutshall, Lemis Jones, Jackson Gaskinand and Leo Lusitana. Front row, from left, are James Chappel, Glenn Hines, Russell Foster, Arvel Carlyle, Paul Winebrenner, Bob Jurgensen, Bob Dean and Ken Weaver. (Review Photo 1060)

trator to operate the municipality.

In answer to questions from the membership, Jim Spears, finance co-chairman, made it clear none of the elected councilmen will receive any remuneration for their services to the community. "Those elected will work shoulder to shoulder for the good of the community," Spears said. "They will be local residents, elected by local voters and taxpayers who are vitally interested and concerned in local affairs. The day of outside control of our community will be a thing of the past," Spears concluded.

Area residents were reminded this week to obtain their receipts for contributions to the incorporation fund for Lemon Grove and become eligible for the \$3700 Ford station wagon which will be awarded as part of the chamber's dinner program Monday night.

There is no finer way to perpetrate a memory than a Heart Research Memorial Gift. An acknowledgment, in your name, is promptly sent to the deceased's family by the San Diego County Heart Association.

Reserves Name Heads

(Continued)

All units of the reserves are directed by Captain Ben Borden of the reserves with Lt. Quentin Cash of the regulars his immediate superior.

The Lemon Grove group meets once each month and each member serves a set number of hours each month on duty with the sheriff's staff. There is no compensation and the volunteer reserves buy their own uniforms, guns and ammunition.

In June 1784 Joshua Humphreys, noted construction expert, was appointed America's first naval constructor with an annual salary of \$2,000.

71.5% Complete Recovery From Polio Through Chiropractic

Facts and figures are stubborn things. They bring proof, and when proof is positive, it becomes TRUTH. When truth concerns the nation's health, it should be made known. We offer the following figures to the press of America as a public duty. They are findings from a national documentary survey. They concern the successful treatment of acute and chronic polio by chiropractic.

DR. N. V. BARTON

In Acute Cases... 71.5%—
COMPLETE RECOVERY
In Chronic Cases... 28.9%—
COMPLETE RECOVERY
In Chronic Cases... 51.1%—
Marked Improvement
In Chronic Cases... 20.0%—
Slight, or No Improvement

For many years, chiropractic research showed that polio came from fatigue, injury as a result of falls, undue exposure to heat and cold. Confirmation of these findings came from many sources. Sister Kenny achieved noteworthy success with treatment based on the mechanical approach, plus hot packs. Chiropractic has been using hot packs, in combination with adjustments, for over half a century. Corrective treatment in the early stages of polio is designed to restore spinal and neural normality, and usually prevents, in acute cases, any crippling after-effects. So goes the true story of chiropractic and its successful treatment and correction of polio.

THREE TRUTHS YOU SHOULD KNOW

- 550 Insurance Companies Recognize Chiropractic.
- 1 out of EVERY 5 Americans Avail Themselves of Chiropractic Health Services.
- 4 Years of Chiropractic College is the Minimum Requirement for Doctors of Chiropractic.

With Turnbull will be Sandy Knight, 19-year-old Santa Monica actress who co-starred with Robert Mitchum in the movie "Thunder Road" which just completed a San Diego run. She will appear in the soon-to-be-released picture, "Daughter of Frankenstein." She also is appearing in television shows "Highway Patrol" and "Dragnet."

Sammy Ogg, also appearing at the dinner, carried the juvenile lead several years ago in the movie spectacular "The Miracle of Our Lady of Fatima." Ogg also appeared in Walt Disney's Mickey Mouse series and recently in the "Spin 'n' Marty" series in which he played Joe. Ogg is completing a western feature, "Frontier Gun," and may soon be seen in the "Dragnet" series.

TROOP 309

The Boy Scouts and men of Troop 309 of Lemon Grove have recently returned from a week-long camping trip to Yosemite summer camp. The group included 22 boys, nine men and three families. Second Class honors were given to five boys and five merit badges were presented at their campfire court of honor. The Bison patrol won the troop perpetual Honor Banner for the best overall camp performance. The boys enjoyed a 10-mile hike to the valley floor, 20-mile hike to Glacier Point, 3 1/2-mile hike to Sierra Point and half way home for a total hiking distance of 53 miles.

Other highlights of their trip were visits to Indian caves, museums, swimming in the 40 degree Merced River, making an 85 foot monkey bridge across Tenaya creek, family night campfire court of honor and getting soaked on the Vernal falls mist trail.

Walt Simmons was presented an honorary cooking merit badge while Ted La Rose won a miniature skunk as patrol leader of the skunk patrol. Lee Barr, Bill Baisley and Lyle Stumbaugh handled the commissary and Lyle was official photographer on the trip. Ernie Denlinger and Bill Ball were hike masters. Ben Ella handled the programs.

The scouts wish to thank all those who supported the fund drive and made the trip possible.

Included on the trip were: Robert Jones, Hans Propper, Jerry Denlinger, Gilbert Grant, Gary Gomes, Billy Simmons, Howard Estes, David Goffney, Ladrue Jordan, Garry La Rose, Don Nottingham, Don Peters, Dick Stumbaugh, David Burns, Dan Ela, Doug Kirby, Sidney Kenworthy, Billy Baisley, Bob Nagel, Sileneck, Larry Sozzani, John Ball and Dale Moore.

MATAGUAY SUBSCRIPTION REPORT

As of June 20 there were 1,036 subscriptions toward the Mataguay Scout Camp goal of \$653,947, amounting to \$311,731. This was county-wide. Figures indi-

Girl's State Draws Spring Valley Rep

Miss Susan Pye, junior student of Mt. Miguel high school, who is attending Girl's state sessions at Davis, California, is being co-sponsored by the Spring Valley woman's club and the La Mesa American Legion auxiliary. She is the daughter of Mr. and Mrs. Ed Pye, Challenge boulevard, Homelands area.

cated that in the Grossmont district (includes this area) \$4,080 had been subscribed to.

PACK 325

Cubmaster Chuck Calkins of Pack 325 reports that he and other Scouters of the Grossmont district attended the Mataguay "blast-off" for the Grossmont district, at El Cajon high school cafeteria on June 16. County clerk Bud James, who is general chairman of the Mataguay Camp campaign, was guest speaker. He showed colored slides of the camp and "rubbed off some of his enthusiasm on those attending the meeting," as Calkins put it.

There will be training classes for all committeemen and Scouters of Cub Pack 325, at Spring Valley First Baptist church on Trop street July 1 and 8, at 7:30 p.m. Cubmaster Chuck Calkins urges everyone to attend.

The regular Pack meeting will be held June 27 in the Scout hall. At that time the charter will be presented. Several Cubs will be graduated into the Boy Scouts and four Den Mothers and two assistant Cubmasters will be named.

Hearth Wins Award

Fred E. Hearth, son of Mr. and Mrs. Fred Hearth, 3216 Harris street, is the winner of a scholarship award given by the San Diego chapter, Daughters of the American Revolution.

Presentation of the award was made at a Flag Day luncheon at the LaFayette Hotel. Fred will begin his senior year at San Diego state college this September.

Pony League—Helix Water May Serve Otag Users

"There's no doubt the boys of the Lemon Grove-Spring Valley Pony league are playing good baseball," says Led Keith, publicity chairman for the league. The scores of the past week prove that Red's statement is correct.

June 14, in the first half of a double-header, it was Lemon Grove Merchants 10 and Valley Pharmacy 3. Winning pitcher was Ronnie Scallotti, who was credited with 15 strikeouts.

In the second half of the double-header, it was LG Sporting Goods 3, LG Optimists 1, with Larry Edwards as winning hurler.

June 15, in the first game of the d.h., it was Greenwood Park 7 and Spring Valley Fire Dept. 3. Doug Wardel was winning pitcher; in the second game Valley Pharmacy won with a score of 10 over the S and M Sporting Goods 7, with Butch Neiml as winning pitcher. The Pharmacy boys, however, collected two homers. S and M was leading 7 to 6, in the bottom of the seventh, then Steve Dahl came to bat and hit his first home run of the season, to tie the score. Two men of the Pharmacy boys then got on base via errors. Then Ronnie Cad's homer did the trick.

June 16, LG Optimists 12, Cochran's Records 9. Winning pitcher, Bill Gray. Bob Richardson of Cochran's got his third home run of the season.

June 17, Greenwood Park 7, LG Merchants 3, with Rodney Westcott as winning pitcher.

June 18, LG Sporting Goods 6, SV Fire Dept. 5. Richard Whisman was not only the winning pitcher, but he got his first home run of the season, which turned out to be a grand-slam.

SCHEDULE

Here is the schedule through July 1:

June 25, S and M Sporting Goods vs. SV Fire Dept.; June 26, Greenwood Park vs. LG Sporting Goods; June 27, LG Optimists

The board of directors of the Otag municipal water district met recently with the Helix irrigation district directors to discuss the problem of serving the area along the Helix district's southern boundary in what was formerly Otag's improvement district one.

As the Otag district has no other water distribution facilities in the area just south of El Cajon, the Helix board of directors has received many inquiries from people living in the area, asking for service from the Helix district's lines until water service is available from Otag.

During Tuesday's meeting Ralph E. Barger, president of the Otag board, told the Helix directors that the Otag district had authorized a study to determine what would be the most satisfactory method of serving the area in question. The study is being prepared by Boyle engineering and should be completed by the first week of August. This study, along with the Helix district's Longwell study, should indicate whether the area can best be served by Otag or Helix. However, it was generally agreed by both boards that emergency service would be provided if the property owner involved asked to authorize the Helix district to deliver Otag's water for them.

vs. LG Merchants; June 28 (double-header) Valley Pharmacy vs. Cochran's Records; and LG Sporting Goods vs. S and M Sporting Goods; June 29 (double-header) SV Fire Dept. vs. LG Merchants; and Cochran's Records vs. Greenwood Park; June 30, LG Optimists vs. Valley Pharmacy; July 1, second period play-offs, if any.

SCHEDULES IN MAJORS

June 26, Tigers vs. Bears; June 27, Rams vs. Lions; June 28 (double-header), Bears vs. Cubs and Elks vs. Tigers; July 1, Elks vs. Lions; July 2, Bears vs. Tigers; July 3, Cubs vs. Rams; July 8, Lions vs. Bears; July 9, Cubs vs. Elks.

MINOR SCHEDULE

June 26, Eagles vs. Cards; June 27, Orioles vs. Owls; June 28 (double-header), Cards vs. Larks and Hawks vs. Eagles; July 1, Hawks vs. Owls; July 2, Cards vs. Eagles; July 3, Larks vs. Orioles; July 8, Owls vs. Cards; July 9, Larks vs. Hawks.

LETTERS TO THE EDITOR

Dear Editor:

I read recently that the school taxes in the Grossmont high school district and the Spring Valley-Le Mesa school district are to be raised 27 cents; nine cents in the SVLM district and 18 cents in the Grossmont district.

When will it stop? Every bond issue they tell us is the last. We have a lot of under-paid teachers and over-paid educators, who have two or three assistants in a big "mansion" called the Education Center, which is closed three months a year.

What San Diego County needs is a town-like Youngstown, Arizona, 16 miles from Phoenix, where there are no schools, no school buses, no school taxes, no factories and no alarm clocks. It is a town for retired people who have raised their children and have paid high school taxes for the past 20 years, to educate somebody else's children.

Dear Editor:

Thousands of words are being presented on the public schools failure to provide us with top scientists to keep us up with the Russians in the present race for the planet. The blame of course being put on the schools.

Yet, we the people, are the ones who ham-string our schools, so they cannot do an efficient job of teaching. Educators know the most efficient way is good teaching and small classes. To keep good teachers salaries have had to be raised, but classroom loads have also gone up.

An elementary school teacher, with 35 to 40 students teaches upward to 15 subjects at three or four different levels of advancement in each subject. Question: How much individual time can each child expect?

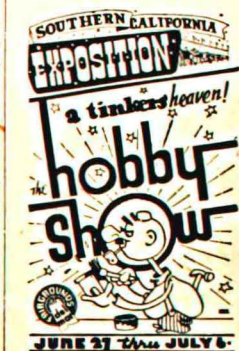

High school teachers have an even greater classroom load—and because so much material must be covered there is little or no time left for individual attention to the pupil.

Political science is a very necessary part of an educated citizen (not just current events), but there again the schools are stymied. Some excellent teaching is done in a round-a-bout way. Again to circumvent the wrath of the public.

But our entire future depends

Summer School Slate Starts For Students

Summer school in the La Mesa-Spring Valley district opened June 18, with approximately 1500 students registered in all the schools of the district except Briar Patch elementary and Spring Valley junior high. James F. Halcomb is principal this summer. He is regularly assigned to Briar Patch.

Some 50 teachers make up the staff this summer, with school from 9 a.m. to noon, five days a week.

Theme of this summer's program is Junior Geophysical Summer and the classes are not being taught under a set curriculum. The course of study is science-centered, but includes instruction in reading, writing, and math. The program is not remedial in nature and major stress is not on work covered during regular classes during the school semesters.

The main purpose of an enrichment program is to broaden learning in areas not generally introduced during the regular school year, and is to give teachers and students time to explore subjects with great thoroughness. A task, points out Principal Halcomb, which is often quite difficult during the tight scheduling between September and June.

A special remedial reading clinic is being held for elementary students. This program is being conducted at the La Mesa elementary school. Three remedial programs, math, English and reading, are being conducted at La Mesa junior high.

Classes close July 25, and the summer school is being financed with state funds and no tax to the local taxpayer, said Halcomb. He urges that strict attendance be observed.

Adult School Draws Heavy Enrollment

The Grossmont adult school program has enrolled more than 850 students from their summer school program, it was reported this week.

The greater part of the students are taking courses in the fields of academic work with such classes as science, mathematics, government, and English being the most heavily supported.

The graduated seniors from the four high schools in the Grossmont high school district have shown a great deal of interest in special courses offered in speed reading. These students plan to enter college in the fall and are taking advantage of this service to improve their reading level.

Schedules for the fall term, starting September 10, will be available in the give away boxes in the libraries and post offices in Lemon Grove, La Mesa, El Cajon, Spring Valley, Santee, Lakeside and Alpine.

United Fund Names Heads For Drive

The United Fund of San Diego county Thursday named its new campaign director and new president for the coming year.

Clair Burgener, realtor and former city councilman and vice mayor, was picked to succeed Rabbi Morton J. Cohn as campaign chairman.

Herbert Kunzel, president of Solar Aircraft Co., was elected president of the board of governors, replacing Vice Adm. Wilder D. Baker, USN, ret.

"It would be a wonderful thing for the community to have only one united drive a year," Burgener said, pledging to work for that goal.

He pointed out that members of the board of governors represented 15 of the largest corporations in the county.

"Firm and employee gifts from those corporations last year contributed more than 40 per cent of the money raised in the first United Fund drive," he said.

Landmark Fund Gains

The annual dance recital in the Spring Valley elementary school on June 13, to raise funds to restore the old Bancroft ranch adobe building brought in \$135, according to Mrs. Jean Eskridge, who directed the show and was general chairman.

The \$130 added to what is already in the Adobe building fund, will go toward starting the work. The building is designated by the county to be a California landmark, and there is to be a plaque placed on the grounds, giving a brief history of the building.

It's the new '58 FORD, you stonehead!

We think Og would have been impressed with the number of '58 FORDS he could see on the streets today. And who could blame him for thinking it representative of modern taste? The sculptured lines so typical of FORD give it a classic beauty. It's a car that will hold its good looks for years to come. And for FORD owners, that means greater trade-in value than for makes that originally cost hundreds of dollars more. Check today's used car prices. And while you're thinking about cars, see SPEARS FORD, LEMON GROVE.

Begonia Society Meets At Lemon Grove July 2

The J.W. Lowrys', 3780 Massachusetts Avenue, Lemon Grove, will host the San Miguel Begonia society, Wednesday, July 2 at 6:30. Table service is requested as this is a pot-luck dinner. The speaker will be Ed McEvoy, landscaper and teacher. Mrs. Lowry, president, will conduct the business meeting.

La Presa Water Plant Nears Completion

Progress on the new La Presa county water district this week reached the stage where the final coat of paint is being applied to the new one million gallon water reservoir, high atop a hill overlooking east Spring Valley and Sweetwater lake. Joe Eaton, vice-president of the water district, said water will be supplied to those homes that are ready in the district for connecting by the latter part of July.

The La Presa county water district which lies within the boundaries of the Otay municipal water district, covers about 2500 acres, and is a member of the San Diego county water authority. Water from the SDC water authority is supplied from the Colorado river thru the metropolitan water district.

The Otay municipal water district was organized early in 1957 and the La Presa water district in June of the same year. Purpose was to supply Colorado water to lands within the LP district. The LP district also lies on the easterly fringe of the rather intensive residential development in San Diego. It has been pointed out it is reasonable to accept, therefore, the district will develop rapidly as soon as the water distribution and sewage disposal facilities become available.

Water will be distributed from the SDC water authority through an aqueduct lying between Lake-side and Sweetwater reservoir. The actual connection will be made about 500 feet south of the entrance to the La Mesa airport on Jamacha road.

The pumping station is being constructed at that point and will elevate the water to the new one-million-gallon tank high above Jamacha.

A 12 and 14 inch main traverses the LP colony subdivision to the intersection of Pecos and San Elijo, thence southwesterly to a point near the new Spring Valley sewage treatment plant at Jamacha and Sweetwater avenue.

All the pipeline necessary to serve the LP district has been installed and is now being tested. Completion of the tank paintings is expected by July. The pumping plant is 80 per cent complete and should be finished by July 4. Although the LP district was organized in June, 1957, all sur-

FAIR X-RAYS SET

The Chestmobile will be stationed at the county fair at Del Mar again this year as a public service of the San Diego department of public health.

The mobile X-ray unit will be located on the Avenue of Flags near the main gate. It will be in operation from 4 to 7 p.m. daily from June 27 through July 6.

Careless Use Of Matches Draws Blame

Children playing with matches are the cause of many Spring Valley fires during the summer, points out Spring Valley fire chief Don Clark. This past week has been no exception, Clark says.

On June 13, at 4:05 p.m. there was a fire at the rear of 8921 Troy street . . . grass.

Fire number two on the same day was at 8905 Troy street, half burning a shed . . . "Children with matches," says Chief Clark.

Fire number three, the same day at 5:20 p.m., was on Barbic Lane . . . grass, caused by children with matches.

June 14, at 12:10 p.m., grass burned along Campo road near 9250, and was probably started by someone tossing a lighted cigarette out of a passing car, Chief Clark pointed out.

Also on June 14, at 1:21 p.m., at 3239 Bancroft drive, a grass fire caused by smoldering rubbish. Chief Clark urges that all rubbish fires be watered down before left.

Two fires on June 15, the first at 7:28 a.m., at 2200 Sweetwater avenue, a grass fire, caused by children with matches. The second fire was at 9:30 a.m. at 3239 Bancroft, a grass fire ignited from trash, says Chief Clark.

Also on June 15, the ambulance was called to the Hurtado home at 8910 Olive drive. A five year old girl from Ensenado, who was visiting with her mother, fell and broke an arm. She was taken to County hospital and later to Mercy.

Holdup Man Identified By SV Pair

Maxie Hamilton and his son Preston, 20, both of the Silver Dollar Market, Bancroft drive, Spring Valley, June 16, identified 22-year-old Ernest Ercole as the holdup man who on April 12 held up young Hamilton and escaped with \$150. Ercole was arrested by deputy sheriffs June 16 at 12:30 a.m. as he slept in front of his mother's home, at 239 Oxford street, Castle Park, just south of Chula Vista.

Deputy Sheriff Robert Norton of the robbery division, said Ercole admitted holding up the operator of a Castle Park grocery just three days before the Spring Valley holdup. Deputy Norton said Ercole had a record with the sheriff's department. He is being held on \$5,000 bail.

The holdup suspect held up young Hamilton at the point of a gun while his father and mother were in the living quarters at the rear of the store.

Soil Tests Fair Feature

Patrons of the county fair this year will be provided a unique service-free soil analyses while they wait—by a noted plant doctor, Dr. Robert E. Atkinson, Ph. D., of Los Angeles.

The service is available to anyone, whether they be folks who grow things for profit or pleasure, such as farmers who are interested in increasing crop yields, teachers; or amateur gardeners, with or without a green thumb.

All that is necessary is to submit about a half cup of the soil to be tested. If the soil varies it is suggested several samples be submitted. It also is advisable to submit leaves or foliage from plants, trees, flowers and grass improperly growing.

Dr. Atkinson will be on duty each day of the fair which runs from June 27 through July 6, and will conduct tests beginning at 1, 3, 5 and 7 p.m. In addition he will hold a lecture-clinic at 3 and 5 p.m. daily.

☆ Exhibit building open at 11 a.m. at the Southern California Exposition and San Diego County Fair which begins a 10-day run at Del Mar, June 27.

Can you cook a perfect meal while you're shopping?

Yes!

When you cook electrically!

WITH A MODERN ELECTRIC RANGE YOU CAN ANSWER YES TO ALL THESE QUESTIONS:

- Does your range turn off automatically when the roast is cooked "just right"?
- Does your range "take care of itself" — giving you more time for your home and family?
- Do pots and pans stay "white glove" clean?
- Do you get consistently good results every time you bake?
- Can you boil a pint of water in two minutes?
- Are the foods you cook always deliciously moist and juicy?
- Does your kitchen stay fresh and cool?
